Health

How many days and on how many occasions have you been absent from work as a result of sickness in the past 24 months?	
Do you have any health problems which may affect your ability to carry out the role you are applying for?	

If yes to the question overleaf are you aware of any details of any adjustment that the company should consider taking to assist you in the recruitment process or in the workplace, in light of any disability?

The information will be used to enable the company to assess your suitability for the agency you have applied for, and enable us to comply with our Health and Safety and Disability Discrimination obligations. We may need to seek the opinion of a doctor to help us to do this and the information provided in this form will be given to the doctor for that purpose. If we seek such an opinion, you will be told in advance and given details of the doctor in question. You may be asked to provide further information about your health and medical condition, undergo medical examination and, where necessary, relevant tests. The doctor will provide details of any examination and tests to the company. The doctor may need to refer to your GP medical records and if so, you will be asked to provide authority for these to be disclosed to the doctor. You will be given a copy of any medical opinion and given the opportunity to tell the company if you don't agree with it. We will treat information in the strictest confidence and only use it for the purposes described. We will not disclose information to other than the relevant doctor and it will only be viewed by the relevant personnel within the company for reasons described.

I declare that to the best of my knowledge and belief the answers to the questions above are complete and accurate. I agree that the details here may be given to a doctor for medical opinion and that, if required, I will undergo a medical examination to be performed at the company's expense, including any tests necessary to determine the state of my health in relation to my ability to perform the role applied for. I agree that I will give my authority for information to be requested from my GP, where reasonably requested. I understand that if I am appointed and the information I have provided on this form or to the doctor is incorrect, this may lead to disciplinary action including possible dismissal.
